## UNITED STATES TRANSPORTATION COMMAND

Office of Public Affairs, Scott Air Force Base, Illinois 62225-5357

### Stephen Koronka

Mr. Stephen Koronka is assigned as Command Knowledge Management Officer, for U.S. Transportation Command, Scott AFB, IL, reporting to the Chief of Staff. In this capacity he provides technical guidance and advice to the Commander, staff, directorates, and subordinate commands on strategic and operational-level Knowledge Management (KM) policies, governance, initiatives, and related matters to most effectively apply KM to achieve the strategic / operational mission. He serves as advisor and consultant to the Commander, to optimize the Commander's operational / strategic decision-making processes and integrating critical operational, intelligence, cyberspace, and command and control information and knowledge in support of those processes.

A 1978 graduate of the U.S. Naval Academy, Mr. Koronka was commissioned in the Supply Corps. He has more than 35 years diversified leadership experience in high-technology OEMs, aerospace, and defense organizations supporting multiple international business and military operations. He led strategic sourcing of materials, services, and capital equipment, supplier certification, quality, contracts, inventory management, transportation, financial management, distribution, and information / knowledge management systems for manufacturing and petroleum operations in U.S., Asia and Europe. He is a retired captain in the Naval Reserve with 30 years of service.
